

DIALOGIC READING, GATHERINGS, LIBRARY WITH TUTOR GUIDANCE, ETC.

DR. FLEMING NURSERY/PRIMARY SCHOOL

Literary Gatherings and activities to encourage reading during school hours. An hour per week in Primary Education and half an hour in Nursery Education with the following aims:

- To read and create meaning using a text as the starting point
- To encourage reading comprehension
- To educate in reflective and critical reading
- To facilitate the integration of students into the information society

ANDALUCÍA NURSERY/PRIMARY SCHOOL

Library with Tutor Guidance means using the School Library as a space for overcoming inequalities, by offering the possibility of increasing the time spent there by certain students in stimulating contexts for learning basic skills like reading and writing.

LA VERNEDA SANT MARTI SCHOOL OF ADULT PEOPLE

Dialogic gatherings on universal classics

The methodology used is based on dialogic learning and the main aim is transformation in favour of a fairer, more democratic and more supportive society. This methodology has shown its capacity for transforming situations of exclusion by achieving great successes in learning, and contributing to dialogue between people of different cultures and from different countries.
